

January 2010

Dear Vendors,

The Northwest Pennsylvania Association for Educational Communications and Technology (NPAECT) will be providing two technology events in collaboration with The Regional Technology Support Group and Classrooms for the Future (CFF): **The Technology Fair and Student Showcase on May 5, 2010** and **3Cs ETC on August 3 and 4, 2010**. We are currently seeking vendors and invite you to join us at one or both events.

**The seventeenth annual Technology Fair and Student Showcase** is an effort to provide individuals in the Erie, Crawford, and Warren County School Districts with information on the latest in technology. The location of this event is the Frank G. Pogue Student Center on the campus of Edinboro University. Please consider displaying your technology-related items from 3:00 p.m. until 7:00 p.m. The Student Center will open at noon for set up. In addition, we ask for a donation of one item that will be raffled to students participating in the Student Showcase. Since the Regional Technology Support Group is comprised of individuals from each of the 17 districts in our area, all teachers, administrators, and parents in the tri-county area will be invited to attend.

**The second annual 3Cs ETC Conference** is an educational technology conference for K-12 teachers and administrators. The location of this two-day event is the REDC facility on the campus of Penn State Erie, The Behrend College. Please consider displaying your technology-related items and/or services from 8:00 am to 3:00 pm each day.

The cost of a display table at the **Technology Fair and Student Showcase** is **\$125** and at the **3Cs ETC** is **\$250** which includes a 6' table, skirting and meal tickets (includes both breakfast and lunch) for each person in your group. The cost of a display table at **both events** is **\$350**. You are asked to provide your own extension cords, surge protectors and the like.

If interested, please complete and return the enclosed registration form by **March 1, 2010**. Make checks payable to: NPAECT. For additional information, contact Susanne Conti at 814-440-2611 or via email at [sconti@ucasd.iu5.org](mailto:sconti@ucasd.iu5.org).

An electronic copy of the registration form, directions and any additional information can be found on the 3Cs ETC Conference website:
